Provenance

Scope and Content

This collection contains the minute book and some ephemera from the Worth Township Farm Bureau.

Series I.A contains scattered minutes from 1920-1940; in Series I.B, the minutes for January 27, 1941 are written on the back of a blank application to the Boone County Rural Electric Membership Corporation (REMC).

Series II contains a newspaper clipping and the December 1, 1939, Pig Survey by the U. S. Department of Agriculture.

Background

The Farmers Federation of Worth Township was organized in 1920; it changed its name to the Worth Township Farm Bureau in 1933. The organization was a member of the Boone County Farm Bureau, itself a member of the Indiana Farm Bureau. The Township organization merged with the County Farm Bureau sometime after 1962. The goal of these organizations is to promote the study and practice of agriculture and to advocate for the the economic and social welfare of farmers.
